**Re: U.S. Environmental Protection Agency, DuPont La Porte, Clean Air Act Section 114
Supplemental Information Request, Dated May 11, 2016**

Dear Officer:

Today, June 20, 2016, E.I. du Pont de Nemours and Company ("DuPont" or the "Company") is producing documents bates numbered DUP-LAP-EPA-0016614 to DUP-LAP-EPA-0016807 in response to the above-referenced supplemental information request in connection with information requested by EPA under Section 114 of the Clean Air Act (the "Information Request") related to DuPont's La Porte Facility at 12501 Strang Road, La Porte, Texas.

DuPont requests that the information contained in this letter and the documents referenced above be considered confidential information and given confidential treatment pursuant to 42 U.S.C. § 7414(c), 5 U.S.C. § 552(b)(4) (Exemption 4), and 40 C.F.R. § 2.201 *et seq.*, and that the information not be disclosed to any non-EPA employee unless otherwise required by law. The basis for this request is that the documents are exempt from disclosure and contain personal or business information that is privileged or confidential and/or provide a competitive advantage to DuPont. Confidential business information requested under Section 114 of the Clean Air Act is subject to 40 C.F.R. § 2.301 and appropriate steps should be taken by EPA to properly safeguard the information. 40 C.F.R. § 2.211.

DuPont requests that, if any person not employed by the EPA (including other government employees or agencies) requests an opportunity to inspect or copy this letter or the documents referenced above, we receive notification of such requests and copies of all written materials pertaining to such requests (including the request itself and any determination with
